SMART LED BALLAST SOCKET ELIMINATES FALSE ALARMS

New for 2018 we are pleased to launch our LED ballast socket and plug. This clever towing socket mimics the load of traditional tail lights to eliminate false bulb failure warnings when using trailers equipped with LED lights.

The unit is of heavy duty construction with the electronics encapsulated in epoxy to protect against water and vibration.

Part number : AVS BAL 1

- Voltage 12 volts
- Eliminates bulb failure warning for trailers with LED lighting
- Mimics the load of normal lights
- Heavy duty construction
- Electronics epoxy encapsulated protecting against water & vibration
- Reg 10 approved

This is the latest product from Ashtree Vision and Safety, one of Europe's premier designers and manufacturers of mirrors, mirror arms and specialists in warning and safety products. Ashtree have a mission to increase visibility and create solutions for blind spots on all types of vehicle and machine.

Ashtree are based in Yorkshire with over 40% of production exported to customers in Europe, Asia, Africa, North America and Australasia.

A lot has happened since we started our journey in 1977 but you can be confident that Ashtree has the product range to suit your vehicles.
