

NEW

S2000 SERIES EXTENDING MIRROR ARM

The S2000 series boasts an impressive range of extension with the convenience of universal fitting.

Our new extending mirror arms are easily adjustable to any given point and then they can be fastened into position using the handwheel.

arm locates onto
existing footprints
OEM or
aftermarket

The extending arm can be used in either OEM or after market applications as it has a fitment designed for use with existing footprints. The tube is an industry standard 19mm diameter.
