

NEW

The New Twin Lens Mirror from Ashtree

Twin lens mirrors, like the new powered M930CE and its manual counterpart the M935, are widely used in many applications. The assembly is R10 approved for both 12v & 24v applications. The mirror is also R46 approved, with the main lens being class II approved and the wide-angle meeting class IV requirements.

The M930CE features heating for both lenses with the main lens being 12v/24v adjustable. The wide-angle lens is manually adjustable only. Where electrical adjustment is not required we produce the M935 manual.

Versatile fitting for mirror arms from 19-25mm mounted horizontally or vertically.

Part number: M930CE

Specification:

- Approved for: Class II /Class IV applications
- Approval number: E11 46R048749 - Class II
